Our Values

CES Ltd Values underpin and reflect the behaviours we expect of our staff:

Principles of Catholic Social Teaching

The identity of the Sandhurst Catholic School reflects the principles of Catholic social teaching, grounded in the person of Jesus, and interpreted and enacted for the "common good" in response to the "signs of the times".

These principles require that the dignity and potential of each person be fully respected within a climate that is conducive to peace, security, and development. This must find expression in the relationships, structures, curricula, planning, processes, and care in the everyday life of the school.

Respect

Respect for the dignity and potential of each person within a climate that is conducive to peace, security, and development. This must find expression in the relationships, structures, curricula, planning, processes, and care in the everyday life of the school.

Partnerships

The Sandhurst Catholic Schools do not function in isolation. In attending to the religious dimension of education, the most fundamental partnerships are those with parents/guardians and with local Catholic faith communities. The school is part of the wider Church community.

Faith

The tasks of evangelisation, catechesis and religious education are shared by home, school and parish, with each having its own distinct contribution to make in a sense of genuine partnership.
